A'l that part of the following described and bounded tract or parcel of land situate, lying, and being in the county of Montgomery and State of Indiana, which has not been conveyed to any person or persons by the Treasury Department of the Uniand seventy-five feet south of South street, thence west to where the Terre ifaute road run in July, 1834, thence with the said Terre between sections ave and six, thence south to the corner of said Sections, thence east to the southwest corner of Helverson's lands and sold by John Wilson, thence north to the alley running south acres, bothe same more or less. Excepting a square composed of I, shall execute and perform all centracts new in force made by the late T. A. Haward, for the sale of any portion of the same which remains unexecuted, and that the conveyance will include No. 2. Also, for the interest of the United States in Jefferson

Square, above alluded to described, with the dice conditions as

1. Each bid must be for a separate number on the schedule, &c. what particular number in the schedule of property it is deposited,

2. Each bid must be accompanied with a guaranty, in the form marshal, United States district attorney, or postmaster, that the 3. On receiving a certificate of deposite, signed by one of the

ledged by the Solicitor of the Treasury, free of all charge to the purchaser. Such conveyance will be sent, free of expense, to any post office in the United States, as may be requested.

4. No bid will be accepted unless it shall be actisfactory to the Solicitor, whether there shall be one or more hids for the property. 5. Before bidding, a'l persons are requested to make themselves acquainted with the situa ion, value, and title of the property they intend to bid for, so as to rely upon their own judgment in hidding 6. After the last day for receiving them, the bids will be opened in the presence of such officers of the Department as shall be able

to attend; and will be examine and passed upon. Notice will be length, and in a legible hand. The hidder should give the name of the post office to which communications for him are to be sent. 8. Bids must be scaled, and marked on the outside in these words : " SEALED BIDS FOR U. S. PROPERTY ;" and addressed to the

9. Form of bid, guaranty, and certificate: of ----, hereby offer the United States the sum of ---- dollars in cash, for their right, title, interest, and claim in the property described in the printed advertisement to the Solicitor of the Treasury, dated September 5th, 1848, upon the terms and conditions therein mentioned; and I hereby, in consideration of the premises, agree, in case my bid therefor shall be accepted by said Solicitor, to deposite that sum, in lawful money, in one of the depositories mentioned in said advertisement, within sixty days after my bid shall be a cepted and notice thereof sent to me by mail: and in case of forfeiture he may re-sall at my expense, or accept the bid of any lower bidder who will pay for the same, and I agree to pay all loss in consequence of my failure to perform my bid. Dated -____, 1849.

For value received I guaranty to the United States the performence of the above undertaking by the signer thereof, in case his Dated ----, 1849.

I certify that the above guaranter is responsible for the sum mentioned in the above bid. 10. Bids not performed on the part of the bidder, according to the terms specified in the above conditions, may, at the uption of the Solicitor, be declared null and void. In all cases where fraud may have been practiced against the United States the Solicitor may, before executing the conveyance, declare the bid invalid and of no effect. Solicitor of the Treasury.

land, which is offered for sale by the Solicitor of the Treasury, and that I and the heirs of Dr. I. S. Canby will hold possession of the

PUBLIC NOTICE

Same until evicted by law. Crawfordsville, Feb. 27, 1849. Proposals for American Water-Rotted

NAVY DEPARTMENT, Bureau of Construction, Equipment and Repair, HINDER the joint resolution of Congress, approved May 9. 1848, entitled a " Reso ution respecting contracts for hemp for the use of the American navy "sealed p oporats will be receivel at this bureau, or the United States hemp agencies at Louisville, Kentucky, or St. Louis, Missouri, (to be forwarded by them un

opened to this bureau.) 'or delivering under contract, for a term not exceeding five years, the best quality of American water-rotted hemp, in quantities of five tons and upwards, the ton to consist of 2,240 pounds. No bid will be considered at a higher rate than two hundred and forty-one dollars per ton. The proposals to be opened on the 30th day of May next. The department will then determine whether the contracts shall be awarded. No delivery will be re quired sooner than the 1st day of January, 1850. The said hemp must be equal in quality to the best foreign hemp; and in all cases of equality of bid, the contract will be given to the hemp grower. The quantity required annually will be about

The said hemp must be thorough'y dressed, cleaned, free from shives, and must not lose more than sixteen per cent of tow and waste when hatchelled to the satisfaction of the inspectors ready for spinning. Its strength must be such that a rope of one and yarns, as prepared and tested by the inspectors, or by their direction, will bear at least 4,200 pounds, and its length, color, and other properties must be entirely satisfactory to the inspectors, or the chief of this bureau, or it will not be received; it will be inspected and tested at the respective places of delivery.

The respective United States hemp agents to certify bills for the hemp which may pass inspection and be received by them, according to the contracts which may be entered into; ninety per cent, of which bills to be payable within thirty days after their presentation to such navy agents as may be agreed upon and named in Persons offering must state the price, in words and figures, (clearly and legibly.) asked per ton of 2.240 pounds, when deliv

ered, inspected, tested, approved and received by the said hemp agent, and payable as above specified. Every offer must be accompanied, as directed in the act of Congress making appropriations for the naval service, approved 10th August, 1846, by a written guaranty, signed by one or more responsible persons, (to be certified by some official personage,) to the effect that he or they undertake that the hidder or hidders will. if his or their bid be accepted, enter into an obligation within fifteen days after the contract is submitted for signature, with good and sufficient sureties, to furnish the supplies proposed. No proposal will be considered unless accompanied by such guaranty. Bonds with two approved sureties in one-half the estimated amount of the respective contracts will be required, and ten per centum in addition will be withheld from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracts, which will on no account be

Offers must be made in strict conformity with the terms of this advertisement. The persons offering must state by which navy agent they wish their bills paid, if their offer is accepted, and by which hemp or navy agency they wish to have contracts and bonds sent for their signature; and it they should not be executed within fifteen days after they are received by the agents, the department will consider itself at liberty to accept other offers in place of those thus

dealers in cuttery and fancy goods, are respectfully invited to call and Cincinnati, O., February 13, 1849. Blake's Patent Fire and Weather-proof Paint or Artificial Plate.

THE undersigned notifies the citizens of this city that he has introduced the above painting of roofs, or other parts of buildings which it is desirable to secure from fire or water, and is ready to receive and execute all orders in his line. Specimens of his painting may be seen at his room, No. 8, Bates's building, and it may be shortly seen on the roof of the State Bank and other buildings. As this paint when properly applied, tenders a roof or other substance as permanently secure as if covered with slate, persons designing to build are requested to call. I expect to apply it with entire success to shingle toofs, as a sub stitute for new shingles, or for preventing leaks. The roof of the

RSAPARIL

IN QUART BOTTLES. For Purifying the Blood, and for the ture of

Scrofula, Rheumatism. Stubborn Ulcers. Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchilis. Consumption, Female Complaints,

Loss of Appetite. General Debilty, &c. HE Proprietors have spent much time in bringing this prepa tion of Sarsaparilla to its present state of perfection; and he experience of fourteen years has furnished them the most ample opportunity to study, in their various forms, the diseases for which it is recommended, and to adapt it exactly to their relief and cure. Patients who wish a rollly good medicine are invited to give it a trial, and satisfy themselves of its superiority, and the avaluable property it possess of arresting and curing disease. The bottle has been entarged to hold one Quart, and in its present improved form may safely claim to be the best and cheapest medicine of the age. Its progress to the fame it has attained may be traced by a long line of facts and cures, that stand as landmarks and beacons for the invalid, pointing the way to the haven of health, and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the

Remarkable Cure of Branchitis. New York. Feb. 17, 1848. Messas. Sanps :- Having suffered many years with a disease of my throat, ande ting the larynx, during which time I was treated by the most distinguished physicians in Europe and the United States, without receiving any permanent benefit, but all the time my general health and strength de-lining, and the disease making

fearful progress; caustic applications were used, and whateve else was thought most efficient for producing a cure; but I am confident the deplo ande situation I was in the larydgitis being accompanied with phthisis and great difficulty in breat ing, would soon have terminated my lefe, had I not obtained relief through the medium of your invaluable Sarsaparilia. I must say, gent emen, when I commenced using the Saranpari la I did not place much confidence in its virtues; and this will not surprise yo when you are informed I had tried more than fifty different remedies during the past four years, without any success; but after taking your Sarsap rills a few weeks, I was obliged at last to yield to evidence. This mary flous specific has not only relieved but cured me; and I therefore think it my dury, gentlemen, to the benefit of suffering humanity, to give you this attestation o Yours very truey.

Consulate of France in the United States.

The above statement and signature were acknowledged in our presence by Mr. D. Parent as true. For the Consul General of France L BORG, Vice Consul-New York, Feb. 17, 1818. The following testimony from Rev. John Grigg, late Rector of the Church of the Crucifixion in this chy, commends itself to the attention of the afflicted. Numerous certificates of cures of vari ous diseases effected by this medicine are almost daily received. MESSES, SANDS :- A member of my family has taken your valuable Sarsaparilla for a seve e scrofulous affection, &c., with the most benefici ! elect resulting from its use. It gives we very great pleasure to r cord my testimony in behalf of its virtue and efficacy, hoping that others may be induced to make a trial of it. Prepared and sold, wholesale and retail, by A. B. & D SANDS Druggists and Chemists, 100 Fulion street, corner of William, New York. Sold also by Druggists generally throughout the

DR. OSGOOD'S INDIAN CHOLAGOGUE .- For the cure of Fever and Ague, Chill Fever, Dumb Ague, Intermittent and Remittent Fever, Liver Complaint, Jaundice, Enlargement of the Liver and Spleen, and all the various forms of bilious diseases. The following extract is from the "Farmer's and Emigrant's Hand Book," a valuable work of about five hundred pages recentpublished by Messrs. Appleton & Co. New York. In chapter page 235, the author, speaking of the Fever and Ague, remarks There is a valuable medicine sold in most of the Western ities, which we can conscientiously recommend for Fever and Ague, and other billions dise ses: it is the India Cholagogue, which is prepared by Dr. Osgood of New York, who has made the bilious disorders of the West his especial study. We are no friend to those medicines usually called petent, but we have had ample opportunity of knowing the invaluable effects of the Cholagogue

The speedy and permanent relief afforded by the Cholagogue, arises from its prompt and healthy action upon the ! lood, cleansing it from bile and restoring it to purity ; thus striking at the root. Its tendency is not simply to suspend disease, but to remove the cause on which it depends. It is equally adapted to all ages and conditions of the system. From S F. Carey, Counsellor at Law to the Agents in Cincinnati.

CINCINNATI, October 11, 1846. Messrs. Sanford & Park : In June last I was attacked with that most afflicting and unpleasant disease, the Chill and Fever. The paroxysms returned daily, and were very severe. My physical energies had been much impaired, by a previous attack of bilious fever. Having tried several favorite remodies without relief, a friend in whom I had confidence, recommended Dr. Osgood's In dia Cholagogue. I procured a tortie, and followed the accompany ing directions. The consequence was, that I had but one paroxy. ism after taking the first dose, and my general health was rapidly restored without using any other medicine. I disposed with the remainder of the bottle to two other persons similarly afflicted, and with the same results. One of them had been shaking for eight months, and was relieved in two days by the use of the Cholagogue. I consider it my duty, as it is my pleasure to recommend it, having the most entire confidence in its sanstive powers.

Yours, truly, J. D. PARK, 4th and Walnut sts., general agent for the West, paid until the contracts are complied with in all respects according also, for sale by appointed agents in nearly every town in the Ar Be sureyou askfor " Osgood's India Cholagogue," und take no Tomlinson Brothers, and D.
